Ltr to Woodley re LA and Santa Cruz Rivers 08-17-08.pdf

Here's Ben's quote that we are putting into a desk statement now - will get that to you shortly.

**"EPA is working closely with the Corps of Engineers to use our Clean Water Act regulatory tools to protect the nation's vital waterways. Our coordinated efforts on the Los Angeles River and Santa Cruz River will help ensure environmental protection and regulatory predictability consistent with recent Supreme Court decisions."**
